

2013 MECO-TECO Sandwich Scholarship Program (SSP) Call for Applications

Written by Cyrill S. Estimado, DOST-International Technology Cooperation Unit
Thursday, 07 February 2013 00:17

The SSP is open to masters and doctoral students who would like to conduct their research in a university or research institution in Taiwan. This encompasses the fields of (1) Natural Sciences, (2)
Life Sciences,
(3)
Engineering and
(4)
Chemistry
.

Applicants for SSP should look for a Taiwanese professor who will serve as their host/adviser preferably one with an existing project being funded by the NSC. This is to facilitate funding and assurance of financial support for the duration of research.

Deadline for both the MECO-TECO JRP and SSP is on **30 March 2013 to be sent to the International Technology Cooperation Unit (ITCU), Room 301, 3rd floor, DOST building, Gen. Santos Avenue, Bicutan, Taguig City or through e-mail at itcu@dost.gov.ph.

Interested applicants may browse ITCU website at <http://itcu.dost.gov.ph> for other details and downloadable forms.
